**4000**

QUALITY  
MADE IN 

# EUROMIX®

## 4000

### MOBILE WET-BATCH-PLANT FOR HIGH-PERFORMANCE CONCRETE

The **EUROMIX® 4000** with a capacity up to 230 yd<sup>3</sup>/hr is perfectly suited for high capacity projects. Short installation times, optimum logistics, year-round operation and value retention are major features of this plant type.

HIGH-PERFORMANCE TWIN-SHAFT-MIXER

EUROMIX®	4000
Output capacity of hardened concrete [yd <sup>3</sup> /hr]	up to 230
Mixer output of hardened concrete [yd <sup>3</sup> /batch]	5.2
Filling volume mixer [gal/batch]	1585

WATCH THE EASY INSTALLATION OF EUROMIX® PLANTS

MOBILE CEMENT SILO INCL. SCREW AND LADDER AS A TRANSPORT UNIT

NO FIXED FOUNDATIONS REQUIRED

### BENEFITS

- easy transport on own 3-axle-chassis
- low cost operation and safe investment
- shortest installation times
